Live webinar

sace

Seizing opportunities in the Chinese Petrochemical sector with two market leaders: Hengli & Hengyi

SACE, together with in cooperation with the **Italian Embassy in Beijing** and **Confindustria**, is pleased to invite you to a presentation of **new business opportunities in China**. Italian SMEs attending the webinar will be able to hear directly from two of **China's most relevant companies operating in the petrochemical sector** with a cumulative turnover of more than 40 billion/€: **Hengli Petrochemical International and Hengyi Industries International**.

The meeting will also explain how SACE can support Italian Exporters as well as local Buyers in doing business – with competitive payment terms.

Following the plenary session, the organizers will provide all necessary details in order to foster business relations between Italian Exporters and the two buyers.
